## Announcement

---

I have bred Shorthorns for the past eighteen years, and in that time I have bred some good ones. I always bought the best bulls I could find to place at the head of my herd, and in consequence I have had the kind of cattle they are all looking for. In 1927 I had the champion steer at Iowa State Fair, and first at International Stock Show. This year I had third and fourth in Shorthorn steers at Iowa State Fair, and first, third and sixth in heifer class at same show. Needing money, I have decided to close out my herd, although it hurts me to see them go. The breeding of my cattle, and the individual merit is such as I can recommend to anybody wanting high class Shorthorns.

GEO. F. GRUSS.

## What Mr. White Says:

For the past eighteen years Geo. F. Gruss has been breeding high class Shorthorns of the best Scotch families, and his herd has always commanded the attention of the very best breeders. I have personally known his herd from the start, and have watched its growth. If there is any one thing more than another that has brought his cattle into the limelight it was the high class bulls that he has always had at the head of the herd. Among the great bulls used was Village Ordens, by Imp. Villager, and Cumberland Again, one of the best Cumberland bulls that was ever used in the State of Iowa. These bulls have made a marked impression on his herd, and have made it one of the best in western Iowa. Supreme Hero, his present herd bull, was one of the best bulls sold in the Bellows sale in 1927. He is a strictly high class individual and is a remarkable breeding bull. He carries the blood of Imported Whitehall Sultan, Avondale and Village Supreme. His get at the Iowa State Fair this year were prominent winners in the several classes. I can recommend the Gruss cattle to anybody looking for high class Shorthorns. There will be 15 good cows with calves at foot in this sale.

## A Herd Built Up by the Consistent Use of Good Bulls

Geo. F. Gruss achieved prominence in Shorthorn production because he was a consistent user of good herd bulls. He believed in the use of good herd bulls. He always placed the proper stress upon the use of good herd bulls, and that's why his herd is the good herd that it is today.

Village Ordens was his first selection, and a great Villager he was, representing a tribe whose tremendous influence in the upbuilding of the breed is known to all. Geo. Gruss was one of the first to see the success the Villagers had attained, and in selecting Village Ordens, he bought a leader of his tribe, a tribe that has left its trade mark upon the breed which time cannot efface. To follow this Villager, a remarkable Cumberland type was put into service in Cumberland Again, an outstanding exponent of this wonderful strain of cattle, a strain conceded by all to be the last word in type, in feeding ability, in showyard efficiency, and in its ability to reproduce its type to a remarkable degree of accuracy.

Cumberland Again led the herd upward and onward to better things, and this blood represented today is a heritage of the great work that he accomplished while in service. The third great selection is Supreme Hero, who sells in the sale. In his pedigree is exemplified the finest and best traditions of Whitehall Sultan, and Avondale blood. In the pedigree of Supreme Hero is an intensification of the blood that has dominated the showyards of this country for a score of years.

This good bull has done his work well. His get show that he is a good sire. He is a top bull in form, and in quality, and the man casting about for a quality bull, a successful sire, should aim to see him.

A good herd is selling. The females are of exceptional worth, belonging to tribes of note, and noted as producers. After eighteen years of success in improving the breed, the herd is to be scattered, and at a time when it is in the very flower of its existence. The opportunity is one of supreme importance. Seed stock of high character is selling, and herds will be enriched that will avail themselves of the chance. Let all classes of buyers feel the responsibility of this auction, as benefits will be distributed on an equal basis. Old herds will profit because of the acquisition of such seed, and new herds will be put on the right track with such seed stock. Be present if you can possibly do so.

**Village Pearl 2d**—A beautiful dark roan and one of my great breeding cows. Nice low set, and a breedy type. She is the dam of Village Lad, champion Shorthorn steer at Iowa State Fair in 1927 and also dam of Village Queen. The 1st prize purebred heifer in boys and girls' calf club class at Iowa State Fair in 1929. She is well along in calf to Supreme Hero, and she should be a good buy for anybody looking for a real breeding cow.
